Except as otherwise indicated by the context, references in this information statement to "Company," "we," "us," or "our" are references to Reign Resources Corporation.

This Information Statement is being furnished to such stockholders for the purpose of informing the stockholders that the Board of Directors and the majority shareholder of the Company have approved a corporate action (the "Corporate Action"). The Corporate Action was approved by written consent of our majority shareholder, who is the owner of 27,500,000 shares of the Common Stock constituting 32.2% of the voting power of our Common Stock and 1 share of Series A Preferred Stock, which holds voting power of 51% of the total voting power of our Common Stock.

The Corporate Action, which was approved by our Board of Directors (the "Board") and the majority shareholder of the Company consists of an increase in our authorized common stock, from 150,000,000 authorized common shares, to 1,000,000,000 authorized common shares. The par value of the common shares will not be changed.

The Company will, when permissible following the expiration of the appropriate periods mandated by Rule 14c and the provisions of the Delaware General Corporation Law, file Articles of Amendment to amend our Articles of Incorporation (the "Articles of Amendment"), in order to effect the Corporate Action.

The proposed Articles of Amendment will become effective when filed with the Delaware Secretary of State. We anticipate that such filing will occur no earlier than twenty (20) days after this Information Statement is first mailed to shareholders.

The entire cost of furnishing this Information Statement will be borne by the Company. We will request brokerage houses, nominees, custodians, fiduciaries and other like parties to forward this Information Statement to the beneficial owners of the Common Stock held of record by them.

The Board of Directors has fixed the close of business on February 24, 2020 as the record date for the determination of shareholders who are entitled to receive this Information Statement. There were 85,272,408 shares of common stock issued and outstanding on February 24, 2020. We anticipate that this Information Statement will be mailed on or about March 5, 2020 to all shareholders of record as of the Record Date.

Only one Information Statement is being delivered to two or more security holders who share an address unless we have received contrary instruction from one or more of the security holders. We will promptly deliver upon written or oral request a separate copy of the Information Statement to a security holder at a shared address to which a single copy of the document was delivered. If you would like to request additional copies of the Information Statement, or if in the future you would like to receive multiple copies of information or proxy statements, or annual reports, or, if you are currently receiving multiple copies of these documents and would, in the future, like to receive only a single copy, please so instruct us by writing to the corporate secretary at the Company's executive offices at the address specified above.

PLEASE NOTE THAT THIS IS NOT A REQUEST FOR YOUR VOTE OR A PROXY STATEMENT, BUT RATHER AN INFORMATION STATEMENT DESIGNED TO INFORM YOU OF THE AMENDMENTS TO OUR ARTICLES OF INCORPORATION.

**WE ARE NOT ASKING YOU FOR A PROXY AND YOU ARE REQUESTED NOT TO SEND US A PROXY.**

#### **DESCRIPTION OF THE COMPANY'S CAPITAL STOCK**

The following is a description of the material provisions of our capital stock. The following description is intended to be a summary and does not describe all of the provisions of our articles of incorporation or bylaws or Delaware law applicable to us.

##### **General**

As of February 24, 2020, the Company's authorized capital stock consisted of 150,000,000 shares of Common Stock, par value \$0.0001 per share, and 10,000,000 authorized shares of Preferred Stock, par value \$0.0001 per share, of which 1 share is designated as Series A Preferred Stock. As of February 24, 2020, 85,272,408 shares of Common Stock were issued and outstanding and one share of Series A Preferred Stock were issued and outstanding.

##### **Common Stock**

The holders of Common Stock are entitled to one vote for each share held. The affirmative vote of a majority of votes cast at a meeting which commences with a lawful quorum is sufficient for approval of most matters upon which shareholders may or must vote, including the questions presented for approval or ratification at an annual meeting of shareholders. However, amendment of the articles of incorporation require the affirmative vote of a majority of the total voting power for approval. Common shares do not carry cumulative voting rights, and holders of more than 50% of the Common Stock have the power to elect all directors and, as a practical matter, to control the company. Holders of Common Stock are not entitled to preemptive rights.

##### **Preferred Stock**

On March 17, 2017, the Company held an annual meeting of its shareholders. At the annual meeting, the majority shareholders of the Company approved an amendment to the articles of incorporation, authorizing one share of Series A Preferred stock, which would be issued to Joseph Segelman. The share of Series A Preferred stock shall vote together as a single class with the holders of the Company's common stock, and the holders of any other class or series of shares entitled to vote with the common stock, with the holder of the Series A Preferred stock being entitled to fifty-one percent (51%) of the total votes on all such matters regardless of the actual number of shares of Series A Preferred stock then outstanding, and the holders of the common stock and any other shares entitled to vote shall be entitled to their proportional share of the remaining forty-nine percent (49%) of the total votes based on their respective voting power. The share of Series A Preferred stock shall not be entitled to receive any distributions in the event of any liquidation, dissolution or winding up of the Company, either voluntary or involuntary. The share of Series A Preferred stock shall not be eligible to receive dividends. The class of Series A Preferred stock shall be automatically cancelled ten (10) years after the initial issue date of such Series A Preferred stock.

---

On May 19, 2017, the Company received the file stamped certificate of amendment from the state of Delaware, which lists an effective date of March 20, 2017. On May 23, 2017, the Company issued the share of Series A Preferred stock to Joseph Segelman, valued at \$270,000 (based on the estimated fair value of the stock and control premium on the date of grant), which will allow Mr. Segelman to maintain fifty-one percent (51%) voting control of the Company regardless of how many shares of common stock are issued and outstanding. Therefore, the Company considers the Series A Preferred stock to be issued on May 23, 2017.

#### **Quorum**

The presence, in person or by proxy, of holders of at least a majority of the issued and outstanding shares entitled to vote at a meeting of stockholders shall constitute a quorum for the transaction of business.

#### **Stock Transfer Agent**

The stock transfer agent for our securities is VStock Transfer, LLC of Woodmere, New York. Their address is 18 Lafayette Place, Woodmere, NY 11598. Their phone number is (212) 828-8436. Our Common Stock is quoted under the symbol "RGNP."

## DESCRIPTION OF CONSENT ACTION

### INCREASE IN AUTHORIZED COMMON STOCK

As of February 24, 2020, the Record Date, there were issued and outstanding (i) 85,272,408 shares of our Common Stock, and (ii) 1 share of our Series A Preferred Stock. As of February 24, 2020, the number of shares underlying outstanding convertible notes is greater than our remaining authorized but unissued shares.

We have been funding our operations utilizing proceeds from convertible notes and expect to do so until we begin to generate significant revenues from our operations, or through acquisitions. As a result of funding the costs of our operations by the issuance of shares of our Common Stock and our current outstanding convertible debt, we expect in the near future to not have available a sufficient number of authorized but unissued shares of Common Stock for near term corporate purposes.

The additional shares of Common Stock for which authorization is sought would be part of the existing class of Common Stock, if and when issued. These shares would have the same rights and privileges as the shares of Common Stock currently outstanding. Holders of the Company's Common Stock do not have preemptive rights to subscribe for and purchase any new or additional issues of Common Stock or securities convertible into Common Stock.

The Board of Directors believes that the increase in the number of authorized shares of Common Stock is in the best interests of the Company and its stockholders. The purpose of increasing the number of authorized shares of Common Stock is to have shares available for issuance for such corporate purposes as the Board of Directors may determine in its discretion, including, without limitation:

- conversion of convertible securities;
- retiring convertible debt;
- future acquisitions;
- future financings; and
- Investment opportunities and other corporate purposes.

### Distribution and Costs

We will pay the cost of preparing, printing and distributing this Information Statement.

### Potential Anti-takeover Effects of Amendment

Release No. 34-15230 of the staff of the SEC requires disclosure and discussion of the effects of any stockholder proposal that may be used as an anti-takeover device. The increase in authorized Common Stock may make it more difficult or prevent or deter a third party from acquiring control of our Company or changing our Board and management, as well as inhibit fluctuations in the market price of our Company's shares that could result from actual or rumored takeover attempts. The proposed increase in our authorized Common Stock is not the result of any such specific effort, rather, as indicated below, the purpose of the increase in the authorized Common Stock is to provide our Company's management with certain abilities, and not to construct or enable any anti-takeover defense or mechanism on behalf of our Company. While it is possible that management could use the additional shares to resist or frustrate a third-party transaction providing an above-market premium that is favored by a majority of the independent Shareholders, our Company presently has no intent or plan to employ any additional authorized shares as an anti-takeover device.

Other than this proposal, our Board of Directors does not currently contemplate the adoption of any other amendments to our Articles of Incorporation that could be construed to affect the ability of third parties to take over or change the control of the Company.

Our Articles of Incorporation and Bylaws contain certain provisions that may have anti-takeover effects, making it more difficult for or preventing a third party from acquiring control of the Company or changing its board of directors and management. According to our Bylaws and Articles of Incorporation, the holders of the Company's common stock do not have cumulative voting rights in the election of our directors. The combination of the present ownership by a few stockholders of a significant portion of the Company's issued and outstanding common stock and lack of cumulative voting makes it more difficult for other stockholders to replace the Company's board of directors or for a third party to obtain control of the Company by replacing its board of directors.

## LEGAL PROCEEDINGS
